

Subject: Guidance—FY 2020 School-Level Reporting Annual Financial Report Timeline
Modified from October 15 to November 20

Arizona Auditor General

In response to the COVID-19 school closures, Laws 2020, Ch. 47, requires us to work with public schools to establish modified timelines for financial and performance data reporting. We have modified the submission and publication timeline for the school district and charter school FY 2020 School-Level Reporting (SLR) form in the Annual Financial Report (AFR) packet to November 20, 2020, because the student count reports needed to accurately calculate student count generated revenues by school are not yet available. This timeline delay applies only to the FY 2020 SLR form. The submission and publication timelines for all other forms included in the FY 2020 AFR packet remain unchanged.

This notice will be posted on our website with all other [Additional COVID-19 school closure guidance FAQs](#).

If you have questions, please contact Cris Cable or Megan Smith, Accountability Services Managers, at asd@azauditor.gov or (602) 977-2796.

Sincerely,
Arizona Auditor General's Office
