Notes to Annual Expenditure Limitation Report

Year ended June 30, 2020

Note 1 - Summary of significant accounting policies

The Annual Expenditure Limitation Report (AELR) is presented as prescribed by the Uniform Expenditure Reporting System (UERS), as required by Arizona Revised Statutes (A.R.S.) §41-1279.07. The AELR excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds and the statement of changes in fiduciary net position for the fiduciary funds.

Note 2

The exclusion claimed for debt service requirements in the governmental funds of \$1,635,857 consists of debt service expenditures for principal and interest and other charges of \$1,287,537 and \$348,320, respectively.

Note 3

The \$622,944 exclusion claimed for dividends, interest, and gains on the sale or redemption of investment securities in the governmental funds consists of expended interest on delinquent taxes which was recorded as tax revenue. Investment earnings of \$839,212 in the governmental funds has been carried forward to future years.

Note 4

The \$466,171 exclusion claimed for trustee or custodian in the governmental funds consists of county contributions to the Arizona Health Care Cost Containment System for acute care, uncompensated care, and administrative costs; and in the fiduciary funds, the exclusion consists of \$261,646,340 in distributions to investment pool participants.

Note 5

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, highway user revenues, quasi-external interfund transactions for the self-funded employee health insurance pool, and contracts with other political subdivisions in the governmental funds:

Highway user revenues in excess of those received in fiscal year 1979-80	8,278,078		8,278,078

Note 6

The \$5,110,558 subtraction for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment districts included within the County’s reporting entity, but not included in the Economic Estimates Commission base limit calculations, and are reported in the governmental funds category in the fund financial statements:

Special assessment districts	
Health and welfare	\$4,011,373
Culture and recreation	933,995

Debt service	
Principal	10,692
Interest and other charges	1,424
Capital outlay	<u>102,789</u>
Total	<u>\$5,110,558</u>

Note 7

The subtraction for long-term care contributions the State Treasurer withheld consists of transaction privilege taxes the State Treasurer withheld to meet the County’s share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County’s governmental funds. Consequently, this expenditure has been subtracted on the reconciliation.

Note 8

The subtraction for required fees/reimbursements paid to Arizona State agencies consists of \$67,775 paid to the Arizona Department of Administration pursuant to A.R.S. §42-5041 for administrative, program, and operating costs.
