The Honorable John Huppenthal
Superintendent of Public Instruction
Arizona Department of Education
Executive Officer
Arizona State Board of Education

Subject: Peach Springs Unified School District No. 8

Dear Mr. Huppenthal:

In August 2007, the Arizona State Board of Education placed Peach Springs Unified School District No. 8 in receivership pursuant to Arizona Revised Statutes (A.R.S.) §15-103. In December 2011, the State Board requested that my Office determine whether the District has been financially solvent for at least 1 fiscal year, a statutory condition required for removal from receivership.

We have performed a review pursuant to A.R.S. §15-103(J)(1) to determine whether the District was financially solvent for the year ended June 30, 2011, the most recent year for which audit reports are available. Our review consisted primarily of inquiries of district management, the State Board-appointed receiver, and the Mohave County School Superintendent's and Treasurer's offices. We also reviewed the District's audit reports for the year ended June 30, 2011, which we received on March 20, 2012, and performed such additional procedures we considered necessary. Based on our review, none of the circumstances listed in A.R.S. §15-103(B), any one of which establishes a basis for the State Board to find the District insolvent, occurred at the District for the year ended June 30, 2011. Therefore, it appears that the District has been financially solvent for 1 fiscal year, based on the criteria detailed in A.R.S. §15-103(B).

In addition, pursuant to A.R.S. §15-103(J)(2), we performed a review to determine whether the District's financial records complied with the *Uniform System of Financial Records* (USFR) and generally accepted accounting principles. Based on our review of the District's audit reports and USFR Compliance Questionnaire for the year ended June 30, 2011, the District has complied with the USFR and generally accepted accounting principles.

The Honorable John Huppenthal
