### Proposition 301

#### District-reported 2006 results

##### Teacher pay

- On average, each teacher earned an additional \$2,428 in salary.

##### Performance

- The District accomplished its goals, which were based on district and individual performance.
- Kindergarten through 8th-grade science curricula were aligned to state standards.
- Teachers participated in professional development activities targeted at improving their abilities in teaching ELL and special needs students.
- Teachers received acceptable performance evaluations; participated in leadership activities, such as coordinating grants, chairing committees, and assisting with student fundraising activities; and provided after-school tutoring.

##### Menu

- Monies were used solely to increase teacher compensation.
