Members of the Arizona State Legislature

Arizona School Facilities Board

We have examined the Arizona School Facilities Board's compliance regarding the statutory purpose requirements of the School Improvement Revenue Bond Proceeds Fund established by Arizona Revised Statutes (A.R.S.) §15-2083 and the School Improvement Revenue Bond Debt Service Fund established by A.R.S. §15-2084 during the year ended June 30, 2003. Monies in the School Improvement Revenue Bond Proceeds Fund may only be used to pay the costs for correcting school facilities' deficiencies, issuing bonds, or establishing bond reserves or sinking accounts. Monies in the School Improvement Revenue Bond Debt Service Fund may only be used for the debt service costs of school improvement revenue bonds. The Arizona School Facilities Board's management is responsible for compliance with those requirements. Our responsibility is to express an opinion on the Arizona School Facilities Board's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the Arizona School Facilities Board's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Arizona School Facilities Board's compliance with the requirements.

In our opinion, the Arizona School Facilities Board complied, in all material respects, with the aforementioned requirements for the year ended June 30, 2003.

This report is intended solely for the information and use of the addressees and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record, and its distribution is not limited.
