**Note 1 – Summary of Significant Accounting Policies**

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes §41-1279.07, which excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20 from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds and the Statement of Changes in Fiduciary Net Assets for the Fiduciary Funds.

**Note 2 -** The exclusion claimed for debt service requirements on other long-term obligations in the Governmental Funds consists of principal retirement of \$1,253,839 and interest expense of \$222,055.

**Note 3 -** The exclusion claimed for dividends, interest, and gains on the sale or redemption of investment securities of \$906,198 in the Governmental Funds includes interest on investments expended of \$639,270; interest on delinquent taxes expended of \$266,928, which was recorded as tax revenue.
