Proposition 301 expenditures were 4.19 percent of the District's $\$ 12,981,728$ current operating expenditures in fiscal year 2002.

District-reported 2002 results

- On average, teachers and instructional aides each earned between $\$ 3,218$ and $\$ 4,435$ in additional compensation.
- All 86 teachers accomplished performance goals to qualify for 70 to 100 percent of performance pay.
- 3 teacher's aides and 2 teachers were hired to reduce class sizes. This enabled the District to redistribute students among classes or to add aides to classes that consistently had more than 30 students.
- A lead teacher was selected at each school to mentor teachers and promote staff development. The lead teachers received $\$ 3,000$ stipends for their additional duties, which included interacting with all teachers and aides, forming committees, and improving communication among employees.
