We have audited the accompanying Annual Budgeted Expenditure Limitation Report of Navajo County Community College District for the year ended June 30, 2012. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the report. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall report presentation. We believe that our audit provides a reasonable basis for our opinion.

Navajo County Community College District (Northland Pioneer College) Notes to Annual Budgeted Expenditure Limitation Report Year Ended June 30, 2012

Note 1 - Summary of Significant Accounting Policies

The Annual Budgeted Expenditure Limitation Report is presented on the basis of accounting prescribed by the uniform expenditure reporting system, as required by Arizona Revised Statues (A.R.S.) §41-1279.07, which excludes expenditures of certain revenues specified in the Arizona Constitution, Article IX, §21, from the total budgeted expenditures.

The information reported in both the report and the financial statements is derived from the same underlying accounting data. However, the formats of the report and the financial statements differ. The report presents budgeted expenditures, exclusions, and amounts subject to the limitation by fund type as required by A.R.S. §41-1279.07. The financial statements present the net assets, changes in net assets, and cash flows in accordance with U.S. generally accepted accounting principles.

In accordance with the reporting requirements, a note to the report is presented below for any exclusion reported in the Total column on Part II that cannot be traced directly to an amount reported in the annual financial statements.

Note 2 - The following schedule presents revenues from which exclusions have been claimed for grants and aid from the federal government and contracts with other political subdivisions:
