We have audited the accompanying Annual Expenditure Limitation Report of Navajo County for the year ended June 30, 2012. This report is the responsibility of the County's management. Our responsibility is to express an opinion on this report based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the report. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall report presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Annual Expenditure Limitation Report was prepared for the purpose of complying with the uniform expenditure reporting system as discussed in Note 1 and is not intended to be a presentation in conformity with U.S. generally accepted accounting principles.

In our opinion, the Annual Expenditure Limitation Report of Navajo County for the year ended June 30, 2012, referred to above presents fairly, in all material respects, the information required by the uniform expenditure reporting system on the basis of accounting described in Note 1.

Notes to Annual Expenditure Limitation Report
Year Ended June 30, 2012

Note 1 - Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report is presented on the basis of accounting prescribed by the uniform expenditure reporting system, as required by Arizona Revised Statutes §41-1279.07, which excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the reporting requirements, a note to the report is presented below for any exclusion claimed on Part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds and the Statement of Changes in Fiduciary Net Assets for the Fiduciary Funds.

Note 2 - The exclusion claimed for debt service requirements on bonded indebtedness and other long-term obligations in the Governmental Funds of \$592,690 and \$722,291, respectively, consists of debt service expenditures for principal and interest and other charges of \$809,632 and \$505,349, respectively. Of the \$946,316 of principal and \$721,020 of interest and other charges in the Governmental Funds, \$136,684 and \$215,671 of principal and interest and other charges, respectively, are attributable to separate legal entities that are not included in the Economic Estimates Commission base limit calculations, and these amounts are not included in this exclusion.

Note 3 - The exclusion claimed for dividends, interest, and gains on the sale or redemption of investment securities of \$988,008 in the Governmental Funds includes investment earnings expended of \$190,206 and interest on delinquent taxes expended of \$797,802, which was recorded as tax revenue. Of the \$202,499 of the investment earnings in the Governmental Funds, \$12,293 is attributable to separate legal entities that are not included in the Economic Estimates Commission base limit calculations, and this amount is not included in this exclusion.

Note 4 - The exclusion claimed for trustee or custodian in the Governmental Funds consists of \$598,267 in contributions by the County to the Arizona Health Care Cost Containment System for acute care, uncompensated care, and administrative costs; and in the Fiduciary Funds, the exclusion consists of \$228,216,077 in distributions to investment pool participants.

Note 5 - The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, highway user revenues, and contracts with other political subdivisions in the Governmental Funds:

Description	<u>Intergovernmental</u>	<u>Charges for Services</u>
Grants and aid from the federal government	\$ 7,401,417	
Amounts received from the State of Arizona	7,458,666	
Highway user revenues in excess of those received in fiscal year 1979-80	5,565,955	
Contracts with other political subdivisions	119,543	\$ 941,914
Other revenues—(nonexcludable)	<u>21,568,345</u>	<u>1,992,829</u>
Total revenues as reported in the fund financial statements	<u>\$42,113,926</u>	<u>\$2,934,743</u>

Note 6 - The subtraction of \$4,299,263 for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment districts included within the County's reporting entity, but not included in the Economic Estimates Commission base limit calculations, and are reported in the Governmental Funds category in the fund financial statements:

Special Assessment Districts	
Health and welfare	\$2,908,735
Culture and recreation	962,712
Highways and streets	75,461
Debt service:	
Principal	136,684
Interest and other charges	<u>215,671</u>
Total	<u>\$4,299,263</u>

Note 7 - The subtraction for long-term care contributions withheld by the State Treasurer consists of transaction privilege taxes withheld by the State Treasurer to meet the County's share of long-term care costs that were reported as a revenue and an offsetting expenditure in the County's Governmental Funds. Consequently, this expenditure has been subtracted on the Reconciliation.
