Independent Accountants' Report

Members of the Arizona State Legislature

The Board of Supervisors of
Navajo County, Arizona

We have examined Navajo County's compliance as to whether highway user revenue fund monies received by the County pursuant to Arizona Revised Statutes Title 28, Chapter 18, Article 2, and any other dedicated state transportation revenues received by the County were used solely for authorized transportation purposes during the years ended June 30, 2005, 2006, and 2007. Management is responsible for compliance with those requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, Navajo County complied, in all material respects, with the aforementioned requirements for the years ended June 30, 2005, 2006, and 2007.

This report is intended solely for the information and use of the members of the Arizona State Legislature, the Board of Supervisors, and management and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record, and its distribution is not limited.
