We have audited the accompanying Annual Budgeted Expenditure Limitation Report of Pinal County Community College District for the year ended June 30, 2010. This report is the responsibility of the District's management. Our responsibility is to express an opinion on this report based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the report. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall report presentation. We believe that our audit provides a reasonable basis for our opinion.

Notes to Annual Budgeted Expenditure Limitation Report
Year Ended June 30, 2010

Note 1 - Summary of Significant Accounting Policies

The Annual Budgeted Expenditure Limitation Report (ABELR) is presented on the basis of accounting prescribed by the uniform expenditure reporting system (UERS), as required by Arizona Revised Statutes (A.R.S.) §41-1279.07, which excludes expenditures of certain revenues specified in the Arizona Constitution, Article IX, §21, from the total budgeted expenditures.

The information reported in both the ABELR and the financial statements is derived from the same underlying accounting data. However, the formats of the ABELR and the financial statements differ. The ABELR presents budgeted expenditures, exclusions, and amounts subject to the limitation by fund type as required by A.R.S. §41-1279.07. The financial statements present the net assets, changes in net assets, and cash flows in accordance with U.S. generally accepted accounting principles.

In accordance with the UERS requirements, a note to the ABELR is presented below for any exclusion reported in the Total column on Part II that cannot be traced directly to an amount reported in the annual financial statements.

Note 2 - Of the \$40 million reported as proceeds from the issuance of capital debt on the Statement of Cash Flows—Primary Government, only \$1,677,748 was expended from bond proceeds and claimed as an exclusion. The remaining \$38,322,252 of bond proceeds has been carried forward to future years.

Note 3 - Exclusions claimed for debt service requirements on bonded indebtedness and debt service requirements on other long-term obligations are \$4,955,575 and \$473,466, respectively. Both amounts are included in the amounts reported as the current portion of long-term debt on the Statement of Net Assets—Primary Government, and as interest expense on debt on the Statement of Revenues, Expenses and Changes in Net Assets—Primary Government.

Note 4 - The following schedule presents revenues from which exclusions have been claimed for grants and aid from the federal government and contracts with other political subdivisions:

Of the gross tuition and fees of \$10,185,366 reported on the Statement of Revenues, Expenses, and Changes in Net Assets—Primary Government, only \$7,705,850 was expended and claimed as an exclusion. Of the remaining balance of \$2,479,516, only \$1,295,017 has been carried forward to future years because \$1,184,499 was expended and claimed as an exclusion for debt service requirements on bonded indebtedness for pledged revenue bonds.
