#### Teacher pay

• On average, each teacher earned an additional \$3,475 in salary, and each librarian, speech pathologist, audiologist, and counselor earned an additional \$2,935.

#### Performance

- Student achievement goals were based on students' standardized test scores and achievement of curriculum-based measures.
- Saturday school and standards-based tutoring targeted students with standardized test scores that fell far below the standards.
- Other goals were linked to teacher evaluations and parent-student satisfaction.

- Monies were used primarily to increase eligible employee compensation.
- The remaining monies were used for AIMS intervention and dropout prevention activities.
