## Proposition 301

## District-reported 2005 results

## Teacher pay

- On average, each teacher, librarian, and counselor earned between $\$ 3,524$ and $\$ 3,595$ in additional salary, and each mentor, coach, trainer, and grade-level/department chair earned an additional \$1,183.

## Performance

- The District accomplished its goals, which were similar to the prior fiscal year's goals and were based on school performance.
- Goals were linked to student achievement on standardized tests and teacher contacts with parents.

## Menu

- Monies were used primarily to compensate mentors, trainers, coaches, and gradelevel/department chairs for working with instructional staff throughout the school year in support of improved curriculum delivery, and to compensate eligible employees for additional days added to the school calendar.
- 1 teacher was hired to work with middle-school students in an alternative classroom setting.
- Monies were also used to pay for teacher development activities, the District's portion of required increases in state retirement contributions, and teacher liability insurance.
