Dear Members of the Board:

We have reviewed Yucca Elementary School District's (District) July 2025 performance audit report prepared by Sjoberg Evashenk Consulting, Inc, which indicates that the District has not complied with the USFR. We have attached a list of the most significant USFR compliance deficiencies we noted in this report.

We provided separately to you and District management a corrective action plan template that includes these deficiencies. Pursuant to Arizona Revised Statutes §15-271, District management should implement corrective actions within 90 days after the date of this letter.

If you have any questions, please contact Chris Votroubek, Accountability Services Division Manager, or me at asd@azauditor.gov or (602) 977 2796.

Sincerely,

Meghan L. Hieger
