Subject: Whiteriver Unified School District—Not in Compliance with Audit Reporting Requirements

Dear Members of the Arizona State Board of Education:

We issued a letter on April 16, 2026, informing Whiteriver Unified School District that we had not received its fiscal year (FY) 2025 financial audit reports and *Uniform System of Financial Records for Arizona School Districts* (USFR) Compliance Questionnaire (Questionnaire), which were due by March 31, 2026. We informed the District's Governing Board that if the District did not submit the reports and Questionnaire within 90 days, we would notify the Arizona State Board of Education (State Board) pursuant to Arizona Revised Statutes (A.R.S.) §15-271.

To date, we have not received the District's FY 2025 financial audit reports and Questionnaire. Consequently, the District has not complied with the USFR and applicable State and federal law regarding report submission, and we request that the State Board take appropriate action as prescribed by A.R.S. §15-272.

If you have questions concerning this matter, please call Meghan Hieger, Director, or Chris Votroubek, Manager, within our Accountability Services Division at (602) 977-2796.

Sincerely,

Lindsey A. Perry
