**Primary revenue sources**

- **Property taxes** 35.7%—Levied and collected from property owners based on the assessed value of real and personal property within Coconino County.
- **Government grants and contracts** 24.8%—Includes State and federal government grant programs awarded primarily for student financial aid and contracts to provide educational services.

**Primary expense purposes**

- **Instruction** 28.0%—Costs to provide instruction for all sessions and online learning, including instruction for general academics, vocational/technical programs, and community education.
- **Institutional support** 17.6%—Costs for District-wide planning and administrative support, including executive management, general and fiscal operations, information technology, and public relations/development.

**District’s net position increased in FY 2021**

District revenues were $1.3 million greater than its expenses, increasing its total net position to $39.2 million at June 30, 2021. Net position includes all assets, such as buildings, vehicles, and cash and investments, less all liabilities, such as unpaid pension and other payroll obligations and accounts payable. Of the total net position, $20.3 million is restricted by external parties or is not in spendable form, and the remaining $18.9 million is unrestricted.
Auditor findings and recommendations
Summarized below are our findings and recommendations included in the District’s Single Audit Report where there is further information and the District’s responses.

- The District needs to continue to implement certain processes to effectively protect its information technology systems and financial and other data, including sensitive student data. We reported a similar finding in prior years.
