## Audit findings and recommendations

Below is a summary of the County auditors' reports over the County's internal control and compliance over financial reporting and over federal programs that are included in the County's [Single Audit Report](#). For help in understanding important information presented in these reports, please refer to our Office's [Internal Control and Compliance Reports User Guide](#).

### Financial reporting internal control

County auditors found that the County needed improvements in certain controls over financial reporting and reported 1 finding. They found the County lacked adequate separation of responsibilities for initiating, processing, and recording accounts payable and payroll transactions; maintaining custody of blank checks; and limiting administrative access to accounting software to individuals who did not have the ability to process transactions in the accounting system.

### Financial finding and recommendation

### Federal internal control and compliance

The County spent almost \$1.4 million of federal program monies during the fiscal year. County auditors tested 1 federal program selected under the major program guidelines established by the Single Audit Act, consisting of the Forest Service Schools and Roads Cluster, which totaled nearly \$0.7 million in federal expenditures. They reported no findings for this program.
