Notes to Annual Expenditure Limitation Report

Year ended June 30, 2018

Note 1 - Summary of significant accounting policies

The Annual Expenditure Limitation Report (AELR) is presented as prescribed by the Uniform Expenditure Reporting System (UERS), as required by Arizona Revised Statutes (A.R.S.) §41-1279.07. The AELR excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, §20, from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS, a note to the AELR is presented below for any exclusion claimed on part II and each subtraction or addition in the reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the statement of revenues, expenditures, and changes in fund balances for the governmental funds and the statement of changes in fiduciary net position for the fiduciary funds.

Note 2

The exclusion claimed for debt service requirements in the governmental funds of \$1,635,322 consists of debt service expenditures for principal and interest and other charges of \$1,228,338 and \$406,984 respectively.

Note 3

The exclusion claimed for dividends, interest, and gains on the sale or redemption of investment securities of \$1,039,025 in the governmental funds includes investment earnings expended of \$264,616 and interest on delinquent taxes expended of \$774,409 which was recorded as tax revenue.

Note 4

The exclusion claimed for trustee or custodian in the governmental funds consists of \$577,363 in county contributions to the Arizona Health Care Cost Containment System for acute care, uncompensated care, and administrative costs; and in the fiduciary funds, the exclusion consists of \$253,432,177 in distributions to investment pool participants.

Note 5

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, highway user revenues, quasi-external interfund transactions for the self-funded employee health insurance pool, and contracts with other political subdivisions in the governmental funds:

Note 6

The subtraction of \$6,001,811 for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment districts and municipal property corporations included within the County’s reporting entity, but not included in the Economic Estimates Commission base limit calculations, and are reported in the governmental funds category in the fund financial statements.

Note 7

The subtraction for long-term care contributions the State Treasurer withheld consists of transaction privilege taxes the State Treasurer withheld to meet the County’s share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County’s governmental funds. Consequently, this expenditure has been subtracted on the reconciliation.

Note 8

The subtraction of \$334,298 for required fees/reimbursements paid to Arizona state agencies consists of \$189,300 paid to the Arizona Department of Juvenile Corrections pursuant to A.R.S. §41-2832 for committed youth confinement cost-sharing; \$111,279 paid to the Arizona Department of Administration pursuant to A.R.S. §42-5041 for administrative, program, and operating costs; and \$33,719 paid to the Arizona Department of Health Services pursuant to Laws 2017, Chapter 309, Sections 11 and 12, for inpatient competency restoration treatment and committing an individual the court determined to be sexually violent, which were recorded as health and welfare expenditures.
